## THE AUDIENCE PHENOMENON!

'Nazaré' combines fiction and social relevance and is led by a strong female character, a fierce and bold woman with an inspiring character that nurtures the audience into being better human beings and standing for values and love, we all believe in! Nazaré is a force of nature. Young, determined, strong and willing to do almost anything to save her mother's life, which depends on an expensive surgery.

'Nazaré' is a light narrative with a powerful contemporary love story, with the beach and big waves of Nazaré as background. But, above all, it is the story of Nazaré, a young warrior to whom the struggles of life have not taken away her boldness, her joy, or made her give up on her goals. Throughout the episodes, she will fight for Duarte's love, even though she knows that the secret she is hiding may keep him away from her for good.

'Nazaré' won a silver medal at World Media Festival 2020 and was nominated for best telenovela at New York Festivals – International TV&Film Awards 2020 and 59th Rose d'Or Awards,
