

WILD LAND

:: NEWEST RELEASE ::

THE TELENVELA THAT WON PORTUGUESE'S HEARTS
AND STOOD OUT SINCE DAY ONE AS ONE OF THE
STRONGEST DEEPER DRAMAS!

'Wild Land' is a contemporary and differentiating narrative that brings us current society problems that anyone can relate to.

A drama full of familiar conflicts, as well as a lot of emotion, love and some comedy moments, that will blow everyone's mind.

A powerful love story, full of plot twists and plural narratives that anyone can relate to.

Gold Medal winner at *World Media Festival 2020*, 'Wild Land' is a super production full of exterior scenes that highlights beautiful landscapes in the south of Portugal.

With a manipulative matriarch running over the protagonist's love story... it will make you dream, cry and laugh.

'Wild Land' tells us the story of Diogo, a decorated military, who returns to his homeland to bring justice on Eduarda, who destroyed his life and family in the past. But he won't have an easy time when he reencounters his youth sweetheart, Beatriz, and deeply falls in love with her... the daughter of the woman he wants to destroy...
