Putting the fun back into fungi... and mush mush more!

Mush-Mush & the Mushables

Mush-Mush & the Mushables follows the comedy adventures of the Mushable community as together they put the fun back into fungi!

As pocket-sized Guardians of the Forest, each Mushable has a special gift. While Mush-Mush can communicate with nature, Lilit shines bright like a light and Chep has an impressive memory. As they get to know their talents and their limits, the Mushables find there is still a lot to discover about growing up.

Fun and adventure...

...isn't hard to find in Mushworld. There are moody lizards to run away from, beetle stampedes to stop, spooky swamps to explore, embarrassing Mushable traditions to take part in, old tunnels to get lost in and new species to discover, plus a whole host of Mushables, young and old to deal with!

The Mushables

From Sushi-Mushi the village chef and Chanterelle the creative heart of the village, to Mushpot the unpredictable Mushelder and the mischievous Mushlets, every Mushable is different! Oh, and they eat compost. A LOT of compost!

Mush-Mush

Mush-Mush loves having fun! Super enthusiastic, he often acts first and... figures things out on the way! Mush-Mush is a great friend to have – with him, you'll never get bored because things will never turn out as planned.

Mush-Mush can physically communicate with nature which gives him a sixth sense for natural phenomena and danger, although this gift doesn't always work the way it should!

Lilit

Mush-Mush's best friend Lilit is full of wonder – like a hippy child of the forest, she finds loveliness in every day. And when she is delighted, sometimes Lilit's whole hat glows with radiant light. She literally lights up with delight! But don't let Lilit's dreamy side fool you, she knows her own mind and is not easily swayed. Lilit loves what she loves, knows what she knows and says what she thinks. Known for her total honesty, her ability to tell the truth makes her wise beyond her years.

Chep

Chep, Mush-Mush's other best friend is the youngest of the three. Driven by an insatiable curiosity about how Mushworld works, Chep loves facts, figures and anecdotes – the weirder, the better! Chep has a special gift for remembering things and he loves sharing his knowledge, sometimes with a terrible sense of timing... He's not the bravest Mushable around, so he can find Mush-Mush's antics hard to cope with sometimes!

Stories

Save the Fun Tree

Mush-Mush, Lilit and Chep's favorite play tree – the Fun Tree – is rotten and doomed. But Mush-Mush refuses to give up on it. In a last ditch effort to save the tree, our Mushlers set off to track down the legendary Starmush – a mysterious grumpy Mushable who lives outside of Mushton – hoping his healing powers can save it.

Oh my Compost

When Sushi-Mushi breaks the only spoon he has ever cooked with, he declares his cooking days are over! So Mush-Mush and his friends step up to cook for everyone instead – how hard can it be? It turns out, very hard! Our Mushlers will clearly have to find another solution.

Stuck in the Mud

When Fung and Miff spoil Mush-Mush's fun tunnel which he has been working on to surprise Lilit and Chep, he wishes their day was ruined too. And then it is! Because Fung and Miff are taken by Muddler. Now Mush-Mush has to lead a reluctant rescue mission to save them.
