

# JGA: JASMIN. GINA. ANNA.

JGA. Jasmin, Gina and Anna want to have fun at a bachelorette party in Ibiza. But then most of their friends cancel because of their children's colds, and to top it off, the bride drops out because she's pregnant. What's left are the three singles who want to continue the bachelorette party without the bride. It could be a fun weekend, if they didn't run into Jasmin's never-forgotten ex-boyfriend and his entourage on Ibiza, who are also celebrating a bachelor party. In order not to embarrass herself, Jasmin pretends to be the bride-to-be. Thus, the confusion takes its course and Jasmin's journey to herself begins.
