Prison Playbook

Production Year _ 2017 / Premiered

Eps × Min _ 16 × 90

Genre _ Drama

All-starbaseball player Kim Je-hyuk was just about to join the Boston Red Sox. Onenight he meets an assailant who was about to harass Je-hyuk's sister, andforcedly pulls him down. He had no idea that he would abruptly be imprisonedfor this. Prison Playbook is a black comedy following the baseball star, livingwith the people in prison, an environment where there are no names, titles,age, and even freedom. The series focuses on the sometimes violent, sometimestouching stories of the inmates and workers who regularly go to prison forwork. Will Je-hyuk be able to survive this suffocating place?
