## FINISHED PROGRAM

**Title:** Any Theory Goes  
**Genre:** Comedy  
**Duration:** 60min

### Synopsis:

Everybody has theories that they personally cling blindly to regardless of proof or scientific validity. In this entertaining information program, a host of celebrities present their cases for pet theories to studio guests by any means be it academic argument or laughably “out there” logic. Can their theories gain acceptance? Or will they be discarded as pop science that only adds confusion to the world? Find out through exhaustive examination including on-location experiments!
