## UNSCRIPTED FORMAT

**Title:** LOVE by A.I.  
**Genre:** Reality / Romance / Social Experiment  
**Duration:** 120min

### Synopsis:

Love by A.I. is a dating reality show where couples who are selected by Artificial Intelligence (A.I.) as the perfect match, go through dating completely assisted by A.I. and see if they can find true love.

The A.I controls everything, from matching the couples, to choosing where the couples go for their first date, to who plans subsequent dates, to even detecting dopamine levels.
