# MIDNIGHT MUSEUM

If you have trouble sleeping at night, we want to introduce you to an interesting place. This museum is filled with mystery, waiting for you to discover. However, after you come to this place, we can't guarantee if you will be able to sleep as tight as you used to or if you will be sleeping in panic forever.

**Synopsis :** Dome comes across a mysterious story when he starts his new job at this museum. The darkness that is hidden in every corner of this place surprises him. The more he learns about mystical collectibles owned by Mr. Katha, the museum owner, the more he is drawn into the stories in the past. Or is he the person Mr. Katha has been waiting for?
