Super Agent Jon Le Bon!

Super Agent Jon Le Bon to the rescue!

On an Earth constantly threatened by natural disasters and an astronomical number of diabolical plots orchestrated by terrible super-villains, a super-duper-secret organization called the Agency is responsible for protecting the Earth and its inhabitants. The Agency employs the best secret agents of all time, including one who stands head and shoulders above the rest: Agent Jon Le Bon.

Agile, courageous, reckless and... not always very subtle, Agent Jon is a hilarious character with a bullish attitude and blatant lack of preparation, who quickly befriends everyone ... even the bad guys! Join Agent Jon on his new adventures in a world as colourful as it is hectic, where the impossible becomes possible by doing the impossible!. You'll quickly realise you can't get enough!
