

The daily adventures of a cute little mouse living in the world of humans!

For this witty and heartfelt guy everything is so new that a boring school project on magnets, a trip to the zoo, a simple game in the backyard or helping a friend are all things incredibly exciting!

Gigio has his faithful "partners in crime": his very best friend Zoe who always helps to make things right, Bob, the perfect buddy to ride with around the city and the 'G-Team' (Mole, Pigeon, Bunny Twins, Turtle, Toad) ready to join him everywhere on reckless and irresistible adventures!

And, when the day is done, it's time for a simple request: "Kiss me goodnight and... Hug me 'til I pop!"
