

# STEP FATHER

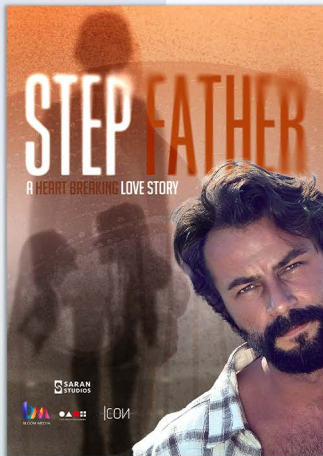

A HEART BREAKING LOVE STORY

STEPFATHER, a new daily series to be produced by Bloom Media, starring Gokberk Demirci (Hayatimin Aşkı, Adını Sen Koy, Promise) will soon meet with the audience both in Turkey and all around the world.

The tragic love story of Bahar and Adnan, the parents of Lamia, our Cinderella...

Death, lies, and revenge would bring them together yet drive them apart all at once.

This is a sad tale of two lovers who live in two distant parts of Mount Qaf. A prince who lives in a glorious tower in the nice part of Mount Qaf, with no hope for love... A woman with a fighting spirit who brings the joy of spring to a poverty-stricken area where the sun does not shine... Just as they get to the top of the mountain, life will once again drive them apart despite everything and everyone. There is no happy ending to this tale, as their lovely daughter Lamia will be taken away from them...

## About Saran Studios

Recently established SARAN Studios is the newest division within SARAN Media Group. Saran Studios' first production is the daily TV series called A Mother's Love. SARAN Studios will produce high-quality and appealing content for domestic and global markets. As an internationally-recognized and respected SARAN brand affiliate with a strong creative and management team, Saran Studio aims to become one of the prominent market players. Having commissioned a number of leading scriptwriters, we have several unique yet universal stories in development.

## About Bloom Media

Since it was founded in 2010, Bloom Media Productions Group has rapidly become one of Turkey's influential media production companies. Bloom Media specializes in producing TV entertainment shows thanks to its well-established relations and various cooperations in the industry, as well as its' enhanced team of young, creative, and skilful professionals.

In a relatively short period, Bloom media has created its original TV Formats and successfully distributed them globally.
