

Corpse Talk

The show that brings the dead famous to life!

Corpse Talk is a lethally entertaining, comedy-led chat show hosted by history-loving Adam (voiced by popular British actor and YouTuber Joe Sugg), who is very much alive, even though his famous guests are not. In each episode, Adam will dig up the dirt on some of the most famous, infamous and incredible figures in history, unearthing the unknown and surprising stories from these amazing characters.

Based on the popular graphic novel series, created by award-winning husband-and-wife comics-making team Adam and Lisa Murphy, Corpse Talk features a diverse line-up of guests including Mozart, Ching Shih, Cleopatra, Josephine Baker, Ibn Al-Haytham, Leonardo Da Vinci, Marie Curie and more.
