

Title: The Fifty ("Les Cinquante") (Format)

Genre: Entertainment

Out of sight, in a castle with a unique universe, lives a mischievous and playful owner, who hidden behind his Lion Mask, likes to have fun. 'The Game Master', reigns supreme over his kingdom and he has decided to challenge 50 of the most popular reality tv stars of the country.

The candidates compete in daily challenges in the iconic arena, in the hopes of increasing the value of the jackpot. Their goal: being the last one standing and winning a huge cash prize, not for themselves, but for one of their supporters who is registered on the show's app and will be drawn at the end of the game.

After each challenge, a vote is taken among the winners to save some while the others are eliminated.

In the end only one will remain. Who will be the winner of The Fifty and award one of their followers a lifechanging cash prize?
